### **Each wedding is unique!**

This is just a guide to trigger your thoughts and to use to set expectations between you and the photographer. Many of the shots are not needed by some and others want many more. Please add to this list as you wish and discuss this with the photographer prior to your wedding. Please remember that shots that are not posed are taken as conditions permit. Use this as a guide and not a contract to deliver these exact photographs.

This information is provided as an aid to assist you with your wedding plans. It is my desire that I will be allowed to provide you with this service. Regardless of who you decide on, be comfortable with your decision and best wishes to you and yours!
